Position of CFS	<ul style="list-style-type: none"> Information on product distribution outside Ireland is not available from the FSAI websites. The local trade has been alerted. Acquisition of the product through online purchase or international travel cannot be excluded. Consumers who are allergic to egg, milk, soya or nuts may develop hypersensitivity reactions, which can be life-threatening in severe cases, upon consumption of food containing egg, milk, soya or nuts. They are advised not to consume the product. CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary
