Position of CFS	<ul style="list-style-type: none"> • According to CFIA, the affected products are imported from Vietnam and have been distributed in certain regions of Canada. Information on products distribution outside Canada is not available from the CFIA website. • The local trade has been alerted. • Acquisition of the products through online purchase or international travel cannot be excluded. • Consumers who are allergic to milk may develop hypersensitivity reactions, which can be life-threatening in severe cases, upon consumption of food containing milk. They are advised not to consume the products. • CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary
