Position of CFS	<ul style="list-style-type: none"> Information on product distribution outside Ireland is not available from FSAI website. The local trade has been alerted. Acquisition of the products through online purchase or international travel cannot be excluded. Consumers who are allergic to egg protein may develop hypersensitivity reactions, which can be life-threatening in severe cases, upon consumption of food containing egg protein. They are advised not to consume the products. CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary
