Position of CFS	<ul style="list-style-type: none"> Information on product distribution outside the UK is not available from the FSA website. The local trade has been alerted. Acquisition of the product through online purchase or international travel cannot be excluded. Consumers who are allergic to milk and mustard may develop hypersensitivity reactions, which can be life-threatening in severe cases, upon consumption of food containing milk and mustard. They are advised not to consume the product. CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary.
