| Position of CFS | <ul style="list-style-type: none"> • Information on product distribution outside the UK is not available from the FSA or FSAI websites. Preliminary investigation so far does not identify local sale of the affected products. CFS is contacting the UK authority for further information. • Acquisition of the products through online purchase or international travel cannot be excluded. • Consumers should discard the products and not consume them. • CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary. • Investigation by CFS is ongoing. |
