	<p>international travel cannot be excluded.</p> <ul style="list-style-type: none"> • CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary. • Investigation by CFS is ongoing. • Consumers who are allergic to milk or barley should discard the products and not consume them. • People who are allergic to milk or barley may have immunologic response like vomiting, diarrhoea and rash upon consumption of food containing these allergens. In severe cases, anaphylactic shock may even develop. As for other members of the public, generally speaking, they would not be subject to such reactions when the food in question is consumed.
Additional information	<ul style="list-style-type: none"> • NA
