

Lifting import ban on poultry and poultry products from State of Wisconsin, US

Following the Centre for Food Safety (CFS)'s earlier lifting ban on poultry and poultry products from (1) Jefferson County; (2) Barron County; (3) Juneau County; and (4) Chippewa County in State of Wisconsin, the United States Department of Agriculture informed CFS that the Avian Influenza incidents in the rest of State of Wisconsin have been resolved. CFS has thus lifted the import ban on poultry and poultry products (including poultry eggs) from the whole State of Wisconsin, US with effect from 12 October 2015.
