

Import Suspension on Raw Oysters Harvested in Zone 56.09.3, Morbihan Department, France Lifted

In connection with the previous food incidents concerning French raw oysters, the Centre for Food Safety (CFS) has suspended the import into Hong Kong of raw oysters harvested in zone 56.09.3, Morbihan Department, France since 23.2.2019.

In view of the submission of investigation report and the implementation of surveillance programme by the French authorities, CFS has conducted an assessment and decided to lift the import suspension imposed on raw oysters harvested in the above zones with immediate effect.

CFS will continue to monitor closely raw oysters imported from France. Appropriate actions will be taken to safeguard food safety and public health.
