

Import Suspension of Beef and Beef Products from CJSC "Bryansk Meat Company" (AIH "Miratorg") at Bryansk region, Trubchevsk District, Settlement Progress, St. Belgorodskaya, Bldg. 2, Russia Lifted

In connection with the previous unsatisfactory samples concerning Russian beef, the Centre for Food Safety (CFS) has suspended issuing the permission to import of beef products from the subject processing plant to importers since 2.9.2019.

In view of the submission of investigation report and the implementation of surveillance programme by the Russian authorities, CFS has conducted an assessment and decided to lift the import suspension of beef products from the subject processing plant with immediate effect.

CFS will continue to monitor closely beef meat imported from Russia. Appropriate actions will be taken to safeguard food safety and public health.
