

Import Suspension on frozen and chilled meat and poultry from establishment, FRIGORÍFICO RAINHA DA PAZ LTDA (SIF 2914) from Brazil Lifted

In connection with the previous food incidents concerning the quality of the meat exported from Brazil, the Centre for Food Safety (CFS) has suspended the import of frozen and chilled meat and poultry from 21 establishments from Brazil into Hong Kong since 28 March 2017.

In view of the submission of investigation report and the implementation of monitoring measures by the Brazilian authorities, CFS has conducted an assessment and decided to lift the import suspension of frozen and chilled meat and poultry imposed on establishment, FRIGORÍFICO RAINHA DA PAZ LTDA (SIF 2914) from Brazil with effect from 21 April 2022. The application of the establishment SIF 2914 also fulfilled the import protocol arrangement and approved to export pork from Brazil to Hong Kong on 25 October 2022.

CFS will continue to monitor closely frozen and chilled meat and poultry imported from Brazil. Appropriate actions will be taken to safeguard food safety and public health.
