

**Lifting Import Suspension on Raw Oysters
Harvested from area 17.C.11 in France**

In connection with the previous food incidents concerning raw oysters from France, the Centre for Food Safety (CFS) has suspended the import into Hong Kong of raw oysters harvested from area 17.C.11 in France since 17 December 2024.

In view of the submission of investigation report and the implementation of surveillance programme by the French authorities, the CFS has conducted an assessment and decided to lift the import suspension imposed on raw oysters harvested from area 17.C.11 in France with effect from 10 April 2026.

CFS will continue to monitor closely raw oysters imported from France. Appropriate actions will be taken to safeguard food safety and public health.
