### **(1) Precautions for Food Delivery Agents on the Prevention of COVID-19**

In the time of COVID-19 outbreak, Hong Kong people staying at home may opt for online or mobile food-ordering and choose delivery services. In this regard, the CFS urges food delivery agents to maintain high standards of hygiene and cleanliness during operation, to minimise the chance of transmitting COVID-19.

For details on the precautions recommended by the CFS, please visit the following webpage:

#### **(6) 2022 Trade Talk and workshop on HACCP (Updates)**

The CFS is organising the Centre for Food Safety Trade Talk and Workshop on HACCP 2022 which starts to take place from April through November 2022. The objective of the program is to publicize proper food handling to employees of food business. Coupled with the active participation and collaboration between the government and stakeholder, the Campaign also promotes the adoption of the “Hazard Analysis and Critical Control Point (HACCP)” System and the development of “Food Safety Plan” in food processing, thereby enhancing food safety.
