**(3) Monthly Report on Results of Compliance Test for Nutrition Labelling and Declaration of Allergens (October 2023)**

The Centre for Food Safety (CFS) has been testing, among other things, nutrients and allergens in prepackaged food samples for compliance under The Food and Drugs (Composition and Labelling) Regulations. Results of compliance test have been published on the CFS website in the form of monthly reports, which include details of the food samples with discrepancies between labelled and tested nutrient values.

You are most welcome to read the report at:

[https://www.cfs.gov.hk/english/whatsnew/whatsnew\\_act/NL\\_Compliance\\_Test\\_Results\\_OCT\\_2023.html](https://www.cfs.gov.hk/english/whatsnew/whatsnew_act/NL_Compliance_Test_Results_OCT_2023.html)

**(4) Food Safety Focus (208th Issue, November 2023)**

The topics of the current issue are:

- Phytohaemagglutinin Poisoning

- Reminding Travellers: Lessons from a *Campylobacter* Outbreak
- Minimising Foodborne Antimicrobial Resistance
- Food Safety Tips for Using Air Fryers

You are most welcome to read the publication at:

[https://www.cfs.gov.hk/english/multimedia/multimedia\\_pub/multimedia\\_pub\\_fs.html](https://www.cfs.gov.hk/english/multimedia/multimedia_pub/multimedia_pub_fs.html)

### **(5) Food Safety Report for October 2023**

To deliver the latest food safety information timely to the public, the CFS announces the monthly “Food Safety Report”, sharing the food surveillance results.

You are most welcome to read the press release at:
