(4) Rice Dumplings and Food Safety

It is a Chinese tradition to eat glutinous rice dumplings during the Dragon Boat Festival on the 5th day of the fifth month of the Lunar Calendar. In the old days, people used to make glutinous rice dumplings themselves to celebrate the Festival. However, the busy city life drives many people to purchase ready-made ones from restaurants, food shops or supermarkets.

Please click into the webpage to view more safety tips on the purchase, preparation and

consumption of glutinous rice dumplings:
