

Dear E-news recipients,

News on the Centre for Food Safety (CFS) online:

**(1) Roving Exhibitions on Food Safety in 2025**

The CFS holds a series of exhibitions across the territory every year. Panels covering different topics such as food safety and nutrition are shown to enhance public knowledge on how to make safe and suitable food choices.

Five roving exhibitions will be held in Tsuen Wan Government Offices, Scenic View, Trade and Industry Tower, To Kwa Wan Market and Lockhart Road Market in August 2025.

**(2) CFS announces food safety report for June**

The CFS released the findings of its food safety report for last month on 31 July. The results of about 6 700 food samples tested (including food items purchased online) were found to be satisfactory except for eight unsatisfactory samples that were announced earlier. The overall satisfactory rate was 99.9 per cent.

**(3) CFS announces test results of targeted surveillance on nutrition labelling of prepackaged sauce**

The CFS released the test results of a targeted food surveillance project on the nutrition labelling of prepackaged sauce on 31 July. Among 40 samples tested, including food items purchased online, one sample was found with protein content inconsistent with the declared value on its nutrition label, while the remaining 39 samples passed the test.

**(4) Food and Drugs (Composition and Labelling) (Amendment) Regulation 2025 gazetted**

The Government gazetted the Food and Drugs (Composition and Labelling) (Amendment) Regulation 2025 (Amendment Regulation) to strengthen the regulation of prepackaged konjac-containing jelly confectionery on 18 July. Through legislative amendments, mini-cup konjac-containing jelly confectionery with a height or width not exceeding 45 millimetres

will be prohibited for sale in the market. In addition, other konjac jelly products must be labelled with choking warning statements on their packaging to remind consumers to exercise caution while eating.
