

Dear E-news recipients,

News on the Centre for Food Safety (CFS) online:

(1) Operation of NuCal App will be ceased with effective from 18 September, 2025

In order to allocate resources for risk communication more effectively, the operation of Centre for Food Safety's NuCal App will be ceased from 18 September 2025. We are sorry for any inconvenience caused. Members of public are welcome to visit our designated website on nutrition labelling (<https://www.cfs.gov.hk/nutritionlabel/>) and follow our Facebook (www.facebook.com/cfs.hk) and Instagram (www.instagram.com/cfs.hk/) pages as well as WhatsApp Channel (<https://whatsapp.com/channel/0029VaMrUsUIXnlz5oAkZG1T>) to learn about nutrition labelling.

Thank you for the continued support of the NuCal App. The CFS will continue to disseminate information on food safety and nutrition labelling to the members of public and trade in a more interactive and diversified manner through different channels timely and effectively.

(2) Food Safety Focus (228th Issue, July 2025)

The latest issue of Food Safety Focus is now available. The topics include:

- Norovirus in Ready-to-eat Food
- Ensuring Food Safety During Summer - Challenges and Best Practices
- Safe Preparation and Handling of Tiramisu
- Read Food Labels to Reduce the risk of Food Allergy

Please click into the webpage for details:
