**(3) Monthly Report on Results of Compliance Test for Nutrition Labelling and Declaration of Allergens (March 2026)**

The Food and Drugs (Composition and Labelling) Regulations (the Regulations) require all applicable prepackaged foods to list out the ingredients, the content of energy plus seven core nutrients, namely, carbohydrates, protein, total fat, saturated fat, trans fat, sodium and sugars (commonly known as “1 + 7”), and regulate any associated nutrition claims. The ingredients to be listed include, among others, any of the substances specified in section 2(4E) of Schedule 3 to the Regulations which are known to cause allergy in some individuals, if present.

**(4) Roving Exhibitions on Food Safety in 2026**

The CFS holds a series of exhibitions across the territory every year. Panels covering different topics such as food safety and nutrition are shown to enhance public knowledge on

how to make safe and suitable food choices.

A total of four roving exhibitions will be held in San Hui Market, Pei Ho Street Market, Harbour Building and Tai Kok Tsui Market in May 2026.
