Position of CFS	<ul style="list-style-type: none"> • According to the CFIA, the affected products have been distributed in certain regions of Canada. Information on product distribution outside Canada is not available from the CFIA website. • The local trade has been alerted. • Acquisition of the products through online purchase or international travel cannot be excluded. • Consumers who are allergic to egg may develop hypersensitivity reactions, which can be life-threatening in severe cases, upon consumption of food containing egg. They are advised not to consume the products. • CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary.
