Position of CFS	<ul style="list-style-type: none"> Information on product distribution outside the U.S. is not available from the FDA website. Preliminary investigation so far does not identify local sale of the affected product. CFS is contacting the US authority for further information. Acquisition of the products through online purchase or international travel cannot be excluded. Consumers should discard the products and not consume them. Medical advice should be sought if they feel sick after consuming the product concerned. CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary. Investigation by CFS is ongoing.
