Position of CFS	<ul style="list-style-type: none"> Information on product distribution outside the Canada is not available from the CFIA website. Preliminary investigation so far does not identify local sale of the affected product. Acquisition of the products through online purchase or international travel cannot be excluded. Consumers should discard the products and not consume them. Medical advice should be sought if they feel sick after consuming the product concerned. CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary.
