Position of CFS	<ul style="list-style-type: none"> Information on product distribution outside the US is not available from the FDA website. CFS is investigating whether the affected batches have been imported to Hong Kong and is contacting the U.S. authority for further information. Preliminary investigation so far does not identify local sale of the affected products. Acquisition of the products through online purchase or international travel cannot be excluded. Consumers should discard the products and not consume them.
