The incident	<p>The Food Safety and Inspection Service (FSIS) of the United States Department of Agriculture (USDA) – Recall of a certain products in the U.S. due to possible contamination with foreign matter contamination (aluminium).</p> <p>These included</p> <p>(1) Salami and Capocollo Products in the US by Battistoni Italian Specialty Meats, LLC.</p> <p>Details of products being recalled are listed in the FSIS websites.</p>
Source	<p>FSIS website</p> <p>(1) https://www.fsis.usda.gov/wps/portal/fsis/topics/recalls-and-public-health-alerts/recall-case-archive/archive/2017/recall-110-2017-release</p>
Position of CFS	<ul style="list-style-type: none"> Information on product distribution outside the US is not available from the FSIS websites. CFS is investigating whether the affected batches have been imported to Hong Kong. Acquisition of the products through online purchase or international travel cannot be excluded. Consumers should discard the products and not consume them. CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary. Investigation by CFS is ongoing.
