Position of CFS	<ul style="list-style-type: none"> Information on product distribution outside Japan is not available from the websites of the authorities of Macao and Japan. CFS is investigating whether the affected batches have been imported to Hong Kong and is contacting the relevant authority for further information. Preliminary investigation so far does not identify local sale of the affected products. Acquisition of the products through online purchase or international travel cannot be excluded. Consumers should discard the products and not consume them. CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary.
