| | Details of products being recalled are listed in the FSA website. |
| Source | FSA website https://www.food.gov.uk/news-alerts/alert/fsa-prin-35-2018-update-1 |
| Position of CFS | <ul style="list-style-type: none"> • CFS is investigating whether the affected products have been imported to Hong Kong and is contacting the relevant authority for further information. • Acquisition of the products through online purchase or international travel cannot be excluded. • Consumers should discard the products and not consume them. • CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary. • Investigation by CFS is ongoing. • Listeriosis is usually caused by eating food contaminated with Listeria which can be easily destroyed by cooking but can survive and multiply at refrigerator temperatures. Severe complications may occur, such as septicaemia, meningitis or even death in newborns, elderly and those with weaker immune systems; and miscarriages during pregnancy. |
