Position of CFS	<ul style="list-style-type: none"> Information on product distribution outside the UK is not available from the website of the FSA. CFS is investigating whether the affected product has been imported to Hong Kong and is contacting the relevant authority for further information. Preliminary investigation did not identify local sale or import of the affected product. Acquisition of the product through online purchase or international travel cannot be excluded. Consumers who are allergic to peanuts should discard the product and not consume it. CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary. Investigation by CFS is ongoing. People who are allergic to peanuts may have immunologic response like vomiting, diarrhoea and rash upon consumption
