<p>Source</p>	<p>Details of products being recalled are listed in the website of the MPI.</p> <p>Website of the MPI https://www.mpi.govt.nz/food-safety-home/food-recalls-and-complaints/recalled-food-products/ceres-organics-brand-organic-hulled-tahini-and-organic-unhulled-tahini/</p>		
<p>Position of CFS</p>	<ul style="list-style-type: none"> Information on product distribution outside New Zealand is not available from the website of the MPI. The Centre for Food Safety (CFS) is investigating whether the affected products have been imported to Hong Kong and is contacting the relevant authority for further information. Acquisition of the products through online purchase or international travel cannot be excluded. 		

食物事故報表 Food Incident Post

- Consumers should discard the products and not consume them.
- CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary.
- Investigation by CFS is ongoing.
- *Salmonella* infection may cause fever and gastrointestinal upset such as abdominal pain and diarrhoea. People with lowered immunity such as infants and the elderly could present with more severe and even life-threatening infection.
