<p>Position of CFS</p>	<ul style="list-style-type: none"> • Information on product distribution outside Japan is not available from the website of the Ministry of Health, Labour and Welfare of Japan. The Centre for Food Safety (CFS) is investigating whether the affected products have been imported to Hong Kong and is contacting the relevant authority for further information. Preliminary investigation did not identify local sale or import of the affected products. • Acquisition of the products through online purchase or international travel cannot be excluded. • Consumers should discard the products and not consume them. • CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary. • Investigation by CFS is ongoing.
