Position of CFS	<ul style="list-style-type: none"> • Importation of milk into Hong Kong requires approval by the Food and Environmental Hygiene Department. No import permission has been issued to the concerned product. • Raw milk is milk that has not been heat treated to kill harmful bacteria. The public is advised not to consume unpasteurised or undercooked milk. Consumers are advised to purchase or consume pasteurized milk, especially during international travels. • CFS will remain vigilant and monitor for any new development
