Position of CFS	<ul style="list-style-type: none"> • Information on product distribution outside Australia and New Zealand is not available from the website of the Food Standards Australia New Zealand (FSANZ). The Centre for Food Safety (CFS) is investigating whether the affected products have been imported to Hong Kong and is contacting the relevant authority for further information. Preliminary investigation did not identify local sale or import of the affected products. • The trade should stop using or selling the products concerned immediately should they possess them. • Consumers should discard the products and not consume them should they possess them.
