Position of CFS	<ul style="list-style-type: none"> Information on product distribution outside France is not available from the website of the Rappel Conso of France. The CFS had previously suspended the import into and sale within Hong Kong of raw oysters harvested in the area 50-07 in France and the suspension is still in force. No local availability of the concerned product is found. Acquisition of the products through online purchase or international travel cannot be excluded. The trade should stop using or selling the products concerned immediately should they possess them. Consumers should discard the products and not consume them
