Heading	The Food Standards Australia New Zealand (FSANZ) – A notice regarding a recall of LGM HOT CHILLI OIL 275G by Auxico (Perth) Pty Ltd in Australia due to undeclared peanuts.
The incident	The FSANZ issued a notice regarding a recall of LGM HOT CHILLI OIL 275G by Auxico (Perth) Pty Ltd in Australia due to undeclared peanuts. Recalled product: ■ LGM HOT CHILLI OIL 275G ● Date Marking: All best before dates up to and including 23/01/27 ● This recall only applies to those products that do not declare peanuts. Details of product being recalled are listed in the website of the FSANZ.
Source	Website of the FSANZ https://www.foodstandards.gov.au/food-recalls/recall-alert/updated-300726-auxico-perth-pty-ltd-lgm-hot-chilli-oil-275g
Position of CFS	• Information on product distribution outside Australia is not available from the website of the FSANZ. The Centre for Food Safety (CFS) is investigating whether the affected product has been imported to Hong Kong and is contacting the relevant authority for further information. Preliminary investigation did not identify local sale or import of the affected product. • Acquisition of the product through online purchase or international travel cannot be excluded. • Consumers who have a peanut allergy or intolerance should discard the product and not consume it. • CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary.

-
- Investigation by CFS is ongoing.
 - People who have a peanut allergy or intolerance may have immunologic response like vomiting, diarrhoea and rash upon consumption of food containing this allergen. In severe cases, anaphylactic shock may even develop. As for other members of the public, generally speaking, they would not be subject to such reactions when the food in question is consumed.
