Position of CFS	- Information on product distribution outside the United States is not available from the website of the FDA. The Centre for Food Safety (CFS) is investigating whether the affected product has been imported to Hong Kong and is contacting the relevant authority for further information. Preliminary follow-up with Telford International Company Limited, local importers and major retailers did not identify local sale or import of the affected product. - Acquisition of the product through online purchase or international travel cannot be excluded. - CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary. - Investigation by CFS is ongoing.
