Heading	The Food Standards Agency (FSA) of the United Kingdom – Notices regarding a recall of Walkers Variety Snacks Sharing Box by PepsiCo in the UK due to undeclared wheat (gluten) on the outer box.
The incident	The FSA of the UK issued notices regarding a recall of Walkers Variety Snacks Sharing Box by PepsiCo in the UK due to undeclared wheat (gluten) on the outer box. The Monster Munch Giants Roast Beef 85g pack contains wheat (gluten) which is not declared on the outer packaging of the sharing box. Recalled product: Walkers Variety Snacks Sharing Box Pack size: 655g box (6 packs) Batch code: 107543 Best before: 21 November 2026 16 January 2027 Details of product being recalled are listed in the website of the FSA.
Source	Website of the FSA https://alerts.food.gov.uk/news-alerts/alert/FSA-AA-50-2026-update-1 (updated notice) https://alerts.food.gov.uk/news-alerts/alert/fsa-aa-50-2026
Position of CFS	• Information on product distribution outside the UK is not available from the website of the FSA. The Centre for Food Safety (CFS) is investigating whether the affected product has been imported to Hong Kong and is contacting the relevant authority for further information. Preliminary investigation did

	not identify local sale or import of the affected product. • Acquisition of the product through online purchase or international travel cannot be excluded. • Consumers who have an allergy or intolerance to wheat or gluten or have coeliac disease should discard the product and not consume it. • CFS will remain vigilant and monitor for any new development and take appropriate actions when necessary. • Investigation by CFS is ongoing. • People who have an allergy or intolerance to wheat or gluten or have coeliac disease may have immunologic response like vomiting, diarrhoea and rash upon consumption of food containing this allergen. In severe cases, anaphylactic shock may even develop. As for other members of the public, generally speaking, they would not be subject to such reactions when the food in question is consumed.
