As an effort to support environmental protection and encourage less use of paper, relevant presentation materials of the seminar will not be printed out but will be posted on our website (www.cfs.gov.hk) for reference after the seminar.

Typhoon and Adverse Weather Arrangement

- The seminar will be cancelled if typhoon signal No. 8 or above OR black rainstorm warning is still hoisted (or is announced by the Hong Kong Observatory to be hoisted) 4 hours or less before the commencement of the event.
- If the typhoon signal pre-No. 8 or the typhoon signal No. 8 or above is hoisted during the event, the seminar will be terminated immediately.
- If the Hong Kong Observatory announces the black rainstorm warning is to be hoisted or is hoisted during the seminar, programmes already in progress will continue.
