

Mr. Alexander Moret

IT Consultant in Electronic Certification
The Ministry of Economic Affairs,
Agriculture and Innovation, the Netherlands

Mr. Alexander Moret is an information technology consultant in electronic certification. Mr. Moret has been working in different sectors of the government of the Netherlands since 1983. He had designed and implemented various information systems for the agricultural and public health sectors.

In recent years, he has been focusing on developing an electronic certification system for the government to aid the import-export industry. Such electronic certification system has been expanding since 2007 in the Netherlands and it covers a variety of products including food of animal origin or phyto-sanitary commodities. Internationally, Mr. Moret plays an important role in the government of the Netherlands in developing the latest electronic certification system with China.

Mr. Alexander Moret 是電子認證的資訊科技顧問，自 1983 年起加入荷蘭政府工作，先後在多個部門任職，為農業及公共衛生等部門設計和推行多個資訊系統。

近年，他一直專注為政府開發電子認證系統，供進出口業使用。在荷蘭，電子認證系統的使用範圍自 2007 年起不斷擴展，用於多類產品，包括動物源食物及植物檢疫商品。國際合作方面，Mr. Moret 代表荷蘭政府與中國合作開發最新的電子認證系統，在這項目上擔當重要角色。
